Summer adventures await!

Japhet summer camps bring new adventures! We'll have young chefs in the kitchen and new Tech Trekkers learning how to program a robot. Artistic campers will explore their creativity by working with clay or creating a screened T-shirt of their own design. Maybe this summer is the year to learn something completely new, like international chess strategies or magic tricks! We also offer camps to build academic skills and prepare students for a new school year.

Thematic Summer Camps are offered as morning camps (9 AM – 12 PM) or afternoon camps (12:30 – 3:30 PM).

Children 3 to 6 years old and potty-trained may join our **Early Childhood Summer Program**, when a new theme is explored each week with crafts, games, safe water play, and more. Our Early Childhood camp begins at 8:30 AM and ends at 3:30 PM. Children may attend for half or full days.

Early registration is due by Friday, March 19th. If minimum enrollment requirements are not met, classes may be cancelled. Registrations will be accepted until the program is full. Registration Forms can be found in this booklet or in Japhet's front office.

We look forward to seeing your children this summer!

Ages: 6 – 10

Cost: \$95 per child
(Minimum of 4 students needed. Maximum is 16 students.)

Material Fee: \$15 per child

102 The Great Sandwich Stack-up

Forget everything you know about lunch! This summer Japhet's kitchen will be all about the meal in the middle. From hot off the grill and loaded with cheese to cool and easy to transport, these sandwiches and their side dishes will make you plan a picnic and wish for a new lunchbox. Burgers to BLT's, chicken salad to Monte Cristo, students will explore ways to make that middle meal a favorite. Our goals include improving kitchen skills, stacking a sandwich in a whole new light and practicing recipes that students can share with their families.

Instructor: Robin Pospisil, Japhet School Life Skills Teacher and Admissions Director

Dates: June 21 – 25, 9:00 AM – 12:00 PM

Ages: 7 – 14
